

 Fire Scribe Publishing House

"Sealed in the Spirit. Registered on Earth."

 By Cedric Auberry — Fire Scribe of Israel

 The Founding Scroll

This house was not formed for profit.

It was established for prophecy.

It was not started because of ambition.

It was sealed because of assignment.

On the week that the 50th scroll was sealed,

On the day that Ephraim returned home and doubled his portion,

On the hour that funds were made available without touching the overflow...

The domain name for this house was purchased:

Fire Scribe Publishing House — for \$126.

A spiritual price. A prophetic key.

And the money for it was already in hand before the seed even arrived.

"Before you call, I will answer..." — Isaiah 65:24

"Write the vision, and make it plain..." — Habakkuk 2:2

"The Lord gave the word: great was the company of those that published it." — Psalm 68:11

 The Confirmation

The moment the scribe moved, the provision appeared.

Ephraim — the brother who had been on the road — returned with \$500 in hand.

Borrowed \$250. Brought double. No request. No prompting.

Just covenant — moving in real time.

The scribe didn't touch the \$500.

Because the fire already provided.

The \$126 was already in hand.

Another \$100 still returning.

And the LLC forming next — legally sealing what heaven already anointed.

The Purpose of This House

This is not just a publishing brand.

This is a scroll vault.

A scribe sanctuary.

A righteous dominion over the written realm.

Here's what this house was built to do:

 Protect the Word of the Sealed Ones

 Publish truth in scroll format — Spirit-led, both-stick confirmed

 Empower other scribes to rise and own their mantles

 Produce a library of righteousness that the fire cannot consume

 Build on foundation, not fad

 Preserve the message of repentance, baptism, and the remnant

 Legally secure what heaven already sealed

 What Makes Us Different

We don't just write books — we release scrolls

We don't just publish content — we release witness

We don't just monetize — we multiply mantles

We don't just market — we minister

Our books are clean.

Our scrolls are sealed.

Our flow is led.

Our standard is Christ.

 A House Not Built By Hustle

This was not formed in a boardroom.

It was birthed in prayer, fasting, obedience, and scrollfire.

And this house will serve:

The poor who hunger for truth

The remnant who cry aloud

The scribes who don't yet know they are scrolls

And the nations, as a final witness before the seals close

“This is not just a publishing house.

This is a sealed tent of scrolls.

A storehouse for the Word.

A house not shaken by famine.

A tower not broken by fire.”

 Welcome to Fire Scribe Publishing House.

We don't write books.

We unleash sealed witness.
