

## HOW TO BUILD YOUR COVENANT NAME

A covenant name is not chosen because it sounds good.

A covenant name is chosen because it reflects identity, character, purpose, and testimony.

Follow the process below.

---

### STEP A

#### LOOK AT YOUR LIFE

Before choosing a name, examine your life.

Ask yourself:

What has the Most High been teaching me?

What fruit am I trying to cultivate?

What struggles have I overcome?

What role do I naturally step into?

What do people consistently come to me for?

Do not begin with a name.

Begin with reflection.

---

STEP B

IDENTIFY THE CHARACTERISTIC

Now identify the quality that best describes the person you desire to become.

Examples:

Light

Peace

Truth

Wisdom

Strength

Healing

Service

Faithfulness

Watchfulness

Leadership

Patience

Kindness

Understanding

Mercy

Justice

Choose the characteristic that resonates most deeply with your walk.

This becomes your meaning.

---

STEP C

## IDENTIFY THE FUNCTION

Now ask:

How does this characteristic operate?

Examples:

Light

Bearer of Light

Peace

Keeper of Peace

Truth

Defender of Truth

Wisdom

Steward of Wisdom

Healing

Healer of the Broken

Watchfulness

Watcher of the Covenant

Service

Servant of the People

This becomes your title.

Your meaning reveals identity.

Your title reveals function.

---

STEP 1

FIND A COVENANT NAME

Now search for a covenant name that carries the meaning you have chosen.

Examples:

Nuri'el

Light of God

Shalomi'el

Peace of God

Ozi'el

Strength of God

Rapha'el

Healing of God

Emeti'el

Truth of God

The name should agree with the meaning.

The meaning should agree with the title.

---|

## STEP 2

### TEST YOUR NAME

Ask yourself:

Does this name reflect my character?

Does this name reflect my testimony?

Does this name reflect the fruit I desire to cultivate?

Does this name reflect the mantle I seek to steward?

Does this name reflect the mission I seek to fulfill?

Would I be honored to be called by this name?

If the answer is yes, continue.

If not, continue searching.

—

## STEP 3

### DECLARE YOUR COVENANT IDENTITY

Meaning:

---

Title:

---

Covenant Name:

---

Date Chosen:

---

---

A covenant name is more than a label.

It is a reminder of the character you seek to cultivate.

A reminder of the purpose you seek to fulfill.

A reminder of the covenant you desire to keep.

Choose carefully.

Then let your life give meaning to the name you carry.
