For Every Scroll Released from
FIRE SCRIBE PUBLISHING HOUSE

 “Therefore every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder,
which bringeth forth out of his treasure things new and old.”

— Matthew 13:52

This scroll was written under command,
sealed by obedience,
and released from the treasury of fire.

It comes not from ambition,
but from instruction.

Not from vanity,
but from vision.

It is the voice of a scribe
who did not keep silent when the Most High poured.
A man instructed unto the Kingdom.
A householder appointed to bring forth the treasure.
Old and new.

Ancient and now.

Sealed and spoken.

 Fire Scribe Publishing House

is not a brand. It is a banner.

A canopy for scrolls born of obedience,
and books written as witnesses.

Here, repentance is not a chapter —
it is the command.

Here, baptism is not optional —
it is the cry.

Every scroll that bears this seal
is a testimony in the war for Zion.

 This is Fire Scribe Publishing House.

A House of Scrolls That Burn Through the Lie.
— Cedric Auberry, Fire Scribe of Israel

THE THIRD WAR SCROLL

The Conflict Was the Plan

When the Dragon's Doctrine Becomes Foreign Policy

Written Mid-Siege

This scroll was not written in hindsight.

It was written in the middle of the ritual,

as the smoke still rose,

as the news still lied,

as the beast still moved.

It is not a report.

It is a weapon.

Forged in the furnace of real-time fire.

While they strategized confusion —

the Remnant remembered the covenant.

“Write it before them in a table, and note it in a scroll,
that it may be for the time to come forever and ever.”

— Isaiah 30:8

“Cry aloud, spare not... lift up thy voice like a
trumpet... show my people their transgression...”

— Isaiah 58:1

📖 “They shall not regard their kings nor princes... for their pride the cities shall be troubled, the houses shall be destroyed, and men shall be afraid.”

— 2 Esdras 15:16–18

🕊️ A scroll of exposure.

🕊️ A scroll of interruption.

🕊️ A scroll of unshakable clarity.

To the righteous: confirmation.

To the deceived: confrontation.

To the dragon: combustion.

✍️ Sealed by the Fire-Scribe in the hour of the third war.

🛡️ Not for the faint of heart — but for the awake, the sealed, and the set-apart.

🔥 Let every altar fall, and every lie be undone.

SCROLL MANDATE — The Third War Scroll

“The Conflict Was the Plan”

This scroll is not for history books.

This scroll is for the ones still breathing in the fumes
of manipulated wars, false flags, and digital confusion.

It is for those who feel something is off —
but can't find the words to pierce the veil.

This scroll is not reactionary.

It was written in the middle of the move.

While nations played chess with human lives,
while economies were sacrificed for illusion,
and while prophets were being mocked in silence —
this scroll was born.

They wanted us distracted.

They wanted us divided.

They wanted us drained — emotionally, spiritually,
energetically.

Because they feed on chaos.

They grow stronger when we fight each other.

And they rise when we stay asleep.

But this time,
the scribe didn't wait.
The war scroll came mid-battle.

This scroll exists to:

- ✅ Interrupt the ritual of manufactured fear.
- ✅ Expose the dragon's doctrine disguised as foreign policy.
- ✅ Reveal the energy trap: how chaos is weaponized to siphon spiritual power.
- ✅ Equip the sealed with the clarity to endure without being consumed.
- ✅ Destroy the altar of false unity built through engineered division.

🗡️ This is spiritual warfare written in real time.

🛡️ This is the counter-weapon to sorcery disguised as strategy.

🔥 This is the scroll that breaks the third seal — before they can finish the spell.

To those awake: take this seriously.

To those asleep: this may be your final warning.

To those in power: your spell is failing.

OPENING VERSE — The Third War Scroll

“The Conflict Was the Plan”

They summoned war,
but the righteous summoned fire.

They moved in shadows,
but the scroll wrote in light.

They drafted policies,
but the Spirit drafted a counter-scroll.

They said,
“It’s just politics.”

But the prophets saw the blood.

They said,
“It’s just the news.”

But the sealed heard the whispers behind it.

They said,
“It’s for freedom.”

But the chains got tighter.

And the truth got buried beneath foreign soil.

We were not supposed to notice.

We were not supposed to remember.

We were not supposed to write.

But the Most High raised scribes in the fire —
and they brought their pens to the battlefield.

 This is that scroll.

Not written in peace.

But forged in the siege.

 “The lion hath roared, who will not fear? The Lord God hath spoken, who can but prophesy?”

— Amos 3:8

 “And it came to pass that I did take the plates... and did write upon them, that I might preserve the word of God for the people.”

— Omni 1:1

 “Surely the Lord God will do nothing, but he revealeth his secret unto his servants the prophets.”

— Amos 3:7

 Let the scribes of Zion rise.

 Let the scroll speak louder than the sword.

 Let this be a memorial written while Babylon still breathes.

TABLE OF CONTENTS

The Third War Scroll: The Conflict Was the Plan
When the Dragon's Doctrine Becomes Foreign Policy

1. The Manufactured Storm

This wasn't spontaneous. It was scripted.
Crisis was the ritual. Confusion was the offering.

2. The Doctrine of the Dragon

Where foreign policy meets fallen power.
When peace talks become portals for possession.

3. Ritual by Invasion: U.S. and Venezuela

It's not just politics — it's theater.
And behind the curtain? Blood, oil, and ancient altars.

4. The Fire Between Zion and Islam

When prophecy becomes a powder keg.
Two peoples, one prize — Jerusalem.

5. World Order by Chaos Design

Global reset is just global sorcery.

Nothing was broken — they planned it this way.

6. Spell, Script, and Scroll

The spell is repetition.

The script is deception.

But the scroll is fire.

7. Why the Righteous Can't Be Sealed by It

Because their seal came first.

Because their eyes already see.

Because their spirit can't be bought.

8. The Scribe in the Siege

This scroll was written mid-strike.

Before the third crown was set.

While the dragon was still breathing.

CHAPTER 1: THE MANUFACTURED STORM

The Third War Scroll: The Conflict Was the Plan

They told the world it was random.

A clash of nations. A matter of oil.

A struggle for democracy.

But behind the curtain,
every piece was in place.

Every leader prepped.

Every headline rehearsed.

Every reaction engineered.

Because this wasn't a war.

This was a spell.

And chaos was the offering.

The people cried out,

“Why is this happening again?”

But the heavens responded:

Because you believed their version of the wind.

Not the truth written in the whirlwind.

📖 “The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun.”

— Ecclesiastes 1:9

📖 “They have healed also the hurt of the daughter of my people slightly, saying, Peace, peace; when there is no peace.”

— Jeremiah 6:14

This storm was not birthed in a battlefield.

It was birthed in boardrooms.

In banking towers.

In secret think tanks.

In coded language hidden beneath treaties and aid packages.

This was policy turned ritual.

And the battleground was not just land —
it was your mind, your energy, your silence.

They said it started in the East.

But it was planned in the West.

They said it was retaliation.

But it was provocation.

They said it was protection.
But it was possession.
And while the world watched the smoke...
they signed the next contract in the dark.
The goal was never peace.
It was fatigue.
Because tired people don't fight back.
Tired people don't look up.
Tired people just try to survive.
And when survival becomes the standard,
truth becomes a luxury.

 “My people are destroyed for lack of knowledge:
because thou hast rejected knowledge, I will also reject
thee.”

— Hosea 4:6

 “They that dwell upon the earth shall wonder... when
they behold the beast.”

— Revelation 17:8

They manufactured the storm —
to manufacture surrender.

And the saddest part?

They used our own voices to fund it.
They made us pick sides,
so we wouldn't notice the stage.
They made us argue over flags,
so we wouldn't discern the rituals.
They made us hate strangers,
while the strangers in high places
laughed behind closed doors.
But a scroll was lit.
Mid-tempest. Mid-lie. Mid-spell.
And the storm couldn't drown the pen.
Because the fire came from heaven,
and the ink was made of truth.

 “He maketh the storm a calm, so that the waves thereof are still.”

— Psalm 107:29

 “But the wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt.”

— Isaiah 57:20

So now we name the storm.
We record the signs.

We strip the disguise.
And we remind the Remnant:
This was never about peace.
It was always about power.
Power through panic.
Panic through propaganda.
And propaganda through planned war.

📖 “For there shall be sedition among men, and invading one another; they shall not regard their kings nor princes, and the course of their actions shall stand in their power.”

— 2 Esdras 15:16

📖 “A man shall desire to go into a city, and shall not be able.”

— 2 Esdras 15:17

📖 “For because of their pride the cities shall be troubled, the houses shall be destroyed, and men shall be afraid.”

— 2 Esdras 15:18

CHAPTER 2: THE DOCTRINE OF THE DRAGON

The Third War Scroll: The Conflict Was the Plan

This is not just warfare.

It's doctrine.

Not just missiles and speeches —

but belief systems handed down from the fallen.

The dragon didn't just roar —

he taught.

He trained kings.

He disciplined nations.

He wrote policy in hell's ink and stamped it with gold.

 “How art thou fallen from heaven, O Lucifer... which didst weaken the nations!”

— Isaiah 14:12

He weakens them through philosophies that sound noble,
but are built on rebellion.

Through systems that promise peace —
but require sacrifice.

Through governments that declare freedom — yet drink
blood behind closed doors.

Luciferian logic sounds like this:

“Create the crisis — then offer the solution.”

“Destabilize the region — then occupy it for peace.”

“Frame the righteous as extremists — then silence them with laws.”

The dragon’s doctrine always begins with control.

And ends with worship.

Because that’s the endgame:

not just your body. Not just your land.

But your agreement.

 “And the great dragon was cast out... that old serpent, called the Devil, and Satan, which deceiveth the whole world...”

— Revelation 12:9

 “Through his policy also he shall cause craft to prosper in his hand... and by peace shall destroy many.”

— Daniel 8:25

He doesn't need you to bow.

He just needs you to be confused.

He needs your anger.

He needs your exhaustion.

He needs your distraction.
Because that's when the transfer happens.
When the worship slips in without a ritual.
When men exalt kingdoms that crucify them.
When women pledge allegiance to empires that break them.
When churches side with state —
and never notice the dragon behind the curtain.
The dragon's doctrine is this:
"If they believe the system,
they'll never question the source."
So he gave the world a new language:
Global security instead of global surveillance
Allies instead of idols
Deterrence instead of destruction
Unity instead of submission
And the people sang his songs in the streets
while the real prophets cried in the wilderness.
 "Wherefore, because of their blindness, which
blindness came by looking beyond the mark, they must
needs fall..."

— Jacob 4:14 (Book of Mormon)

 “He causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.”

— Revelation 13:12

Every time the dragon offers peace —
blood follows.

Every time he speaks of unity —
a divide is being carved.

And every time he says, “It’s for your safety,”
the cage gets smaller.

So what is the counter?

Not just resistance.

But discernment.

Not just marching.

But prophetic sight.

The remnant must learn to see past the language,
and hear the hiss behind the handshake.

 “Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many.”

— Matthew 24:4–5

📖 “Wo unto them that call evil good, and good evil...”

— Isaiah 5:20

📖 “And he shall speak great words against the most High, and shall wear out the saints of the most High...”

— Daniel 7:25

So now we name it.

We call it what it is.

The dragon’s doctrine is active.

But so is the scribe.

Let this chapter serve as a mirror.

Let the scroll cancel the script.

And let the Remnant rise from confusion —
with eyes that see and fire that speaks.

CHAPTER 3: RITUAL BY INVASION – U.S. AND VENEZUELA

The Third War Scroll: The Conflict Was the Plan

This was never just about oil.
Never just about democracy.
Never just about dictators.
This was ritual through warfare.
A modern sacrifice dressed in military uniform,
officiated by nations claiming to be “liberators.”
Every missile launch is a lit candle.
Every embassy withdrawal is a wave of incense.
Every imposed sanction is a bloodless offering.
And when the people cry out —
they say it’s for peace.
But the spirits know it’s for power.

 “The hammer of the whole earth is cut asunder and broken: how is Babylon become a desolation among the nations!”

— Jeremiah 50:23

 “I will send him against a hypocritical nation... to take the spoil, and to take the prey, and to tread them down like the mire of the streets.”

— Isaiah 10:6

The U.S. doesn't just enter nations.

It enters covenants with ancient strongholds.

It doesn't just invade — it initiates.

And every time a nation is destabilized,
a door is opened.

 “They shall not regard their kings nor princes...”

— 2 Esdras 15:16

What you see in Venezuela is not just poverty.

It's the aftershock of spiritual displacement.

Natural resources become legal grounds for intervention.

But the Most High sees the blueprint.

They cripple the economy.

Then offer loans with invisible chains.

They push rebellion.

Then offer “freedom” under their flag.

They starve the people.

Then televise humanitarian aid like they're gods.

It's the Babylonian pattern recycled.

Come in the name of peace —

leave with the gold and the glory.

📖 “Woe to thee that spoilest, and thou wast not spoiled...
when thou shalt make an end to deal treacherously, they
shall deal treacherously with thee.”

— Isaiah 33:1

And the worst part?

They use us to do it.

Young soldiers from broken neighborhoods,
sent to foreign lands to enforce policies they don't
understand.

Mothers weeping over caskets wrapped in a flag
that can't resurrect their sons.

📖 “And thus they were driven by their evil nature to
destroy their brethren and seize upon their inheritance...”

— Alma 43:8

This is not just foreign policy.

This is witchcraft with contracts.

A spiritual chess game where pawns bleed
and kings hide behind press releases.

Why Venezuela?

Because it's rich in oil — but more than that,
because it resisted the beast.

Because its spirit hasn't bowed.

Because its people still carry prayers in the streets,
even when the food is gone.

This scroll is not defending regimes.

This scroll is exposing ritual invasion.

Where empires crush nations in the name of help.

Where sanctions are modern curses.

Where boots on the ground become the modern
priesthood

of Mammon, Molech, and Military Might.

But this time —
the altar cracked.

Because the scribe is watching.

Because the Remnant is awakening.

Because the war is no longer unseen.

And once seen — it must be judged.

 “Therefore, behold, I am against thee, O destroying
mountain... which destroyest all the earth.”

— Jeremiah 51:25

 “For the nation and kingdom that will not serve thee shall perish...”

— Isaiah 60:12

Let this chapter stand as a witness.

That what they called intervention —
the Most High calls abomination.

What they call strategy —
the scroll calls sorcery.

And what they call peace —
we now call war ritual.

CHAPTER 4: THE FIRE BETWEEN ZION AND ISLAM

The Third War Scroll: The Conflict Was the Plan

This is not just politics.

It is prophecy — misread, manipulated, and monetized.

Zion and Islam.

Jerusalem and Mecca.

Isaac and Ishmael.

The dragon stands between them —
not as a peacemaker, but as an arsonist.

They fan the flames,
then sell the weapons to both sides.

They quote the prophets,
but burn the people.

They pretend to guard holy places,
but bow only to power.

 “Behold, I will make Jerusalem a cup of trembling unto
all the people round about...”

— Zechariah 12:2

 “The holy city shall they tread under foot forty and two
months.”

— Revelation 11:2

From the rivers to the hills,
from Gaza to the West Bank,
from Damascus to Cairo —
the air is heavy with blood and prophecy.

And yet the world thinks it's about land.

About terror.

About tribes.

No.

It's about thrones.

It's about ancient promises.

It's about the name the dragon can't erase.

And the covenant he can't counterfeit.

The beast wants to erase both seeds.

He wants Israel to forget the covenant,

and Ishmael to forget the blessing.

So he plays both sides.

Funds both wars.

Tells both lies.

Because if Zion and Islam destroy each other,
he walks into the vacuum wearing a crown.

📖 “For nation shall rise against nation, and kingdom against kingdom...”

— Matthew 24:7

📖 “And it came to pass that the people of Ammon did not fear them; for they had taken an oath to never shed blood again.”

— Alma 24:18

This is not a war of religion.

This is a war of prophecy.

And the dragon knows them both —

because he was there when the promise was made.

He was there when Abraham walked.

He was there when the angel told Hagar her son would be great.

He was there when Isaac was laid on the altar.

He was there when Jacob wrestled.

He was there when Joseph dreamed.

And he fears the day

both houses wake up.

Because that day...

Zion won't fight Islam.

Ishmael won't fight Jacob.

They'll both turn and say:

“Who taught us to hate each other?”

“Who made us enemies when the Father called us brothers?”

 “Blessed be Egypt my people, and Assyria the work of my hands, and Israel mine inheritance.”

— Isaiah 19:25

 “And the remnant of Jacob shall be among the Gentiles in the midst of many people as a lion among the beasts of the forest...”

— Micah 5:8

But for now,

the fire is real.

The bombs are falling.

The children are crying.

The lies are multiplying.

And the dragon is smiling.

Unless the scroll interrupts it.

Let this be the interruption.

Let this scroll declare:

We will not choose sides in the dragon's war.
We will not be pawns in your prophetic manipulation.
We will not spill brother's blood to fulfill your spell.
The true Zion watches and weeps.
The true prophets mourn.
But they also warn.
Because the Most High will not be mocked.
And He alone will end this fire.
With justice.
With truth.
With a scroll that exposes every lie
hidden beneath the holy veil.

📖 “For the indignation of the Lord is upon all nations, and his fury upon all their armies... he shall utterly destroy them.”

— Isaiah 34:2

CHAPTER 5: WORLD ORDER BY CHAOS DESIGN

The Third War Scroll: The Conflict Was the Plan

They call it New World Order.
But the blueprint is ancient.
It is the serpent's design —
build nothing, break everything, and reign in the ruins.
They don't fear collapse.
They orchestrate it.
Every crash is controlled.
Every panic is planted.
Every "solution" was written before the chaos began.
This isn't governance.
It's ritual destruction —
and the god they serve thrives in confusion.

 "Why do the heathen rage, and the people imagine a vain thing?

The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed..."

— Psalm 2:1–2

They designed the storm.
Then sold you the umbrella.
They torched the system.
Then offered the reset.
They broke the world.
Then crowned themselves saviors.
They say:
“Build back better.”
But better for who?
“Trust the science.”
But which science — and whose god?
“Digital solutions for global peace.”
But when every problem is digitized,
so is every soul.
This is not order out of chaos.
This is chaos as the new order.
When you are always reacting,
you are never discerning.
When you are always surviving,
you are too tired to question.
And when you are always being “saved,”

you stop asking who lit the fire to begin with.

📖 “For God is not the author of confusion, but of peace,
as in all churches of the saints.”

— 1 Corinthians 14:33

📖 “He shall cause deceit to prosper... and by peace shall
destroy many...”

— Daniel 8:25

They want digital currency,
not for innovation — but for invasion.

Of privacy.

Of sovereignty.

Of faith.

They want one system, one thought, one tongue —
not to unite, but to enslave.

It is Babel rewritten.

A rebooted tower.

A kingdom of pixels with a dragon on the throne.

And once it's built,
only those who bow will eat.

Only those who comply will move.

Only those who worship will belong.

📖 “And that no man might buy or sell, save he that had the mark...”

— Revelation 13:17

📖 “He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword.”

— Revelation 13:10

They are not failing.

They are succeeding — in their own design.

And the church is silent.

The nations are laughing.

The scribes?

Are writing.

Because this time, the scroll isn't written after the ruins.

It's being written in the middle of their build.

And once exposed —

the structure won't hold.

Because order built on lies

is never truly stable.

And peace funded by demons

must return to dust.

 “When they shall say, Peace and safety; then sudden destruction cometh upon them...”

— 1 Thessalonians 5:3

 “The wicked have drawn out the sword... but their sword shall enter into their own heart...”

— Psalm 37:14–15

CHAPTER 6: SPELL, SCRIPT, AND SCROLL

The Third War Scroll: The Conflict Was the Plan

This war was never just bullets and bombs.

It was broadcast and belief.

It was timed footage and tailored fear.

It was propaganda as prophecy,

and narrative as a narcotic.

The dragon doesn't just speak.

He scripts.

He uses words like weapons —

spells disguised as headlines,

chants disguised as journalism,

and mantras masked as truth.

 “Their throat is an open sepulchre; with their tongues they have used deceit...”

— Romans 3:13

 “He shall speak great words against the Most High, and shall wear out the saints...”

— Daniel 7:25

What they call “breaking news”

is actually a binding spell.

It's written to wound.

To weaken.

To wear you down with images that poison the spirit.

To convince the soul: "This is the only reality."

"There is no other hope."

"There is no escape."

But there is one thing the spell never accounted for:
the scroll.

 "Take thee a great roll, and write in it with a man's
pen..."

— Isaiah 8:1

 "Moreover he said unto me, Son of man, eat that thou
findest; eat this scroll, and go speak unto the house of
Israel."

— Ezekiel 3:1

The scroll is the counter-script.

Where they write confusion — we write clarity.

Where they spread fear — we release fire.

Where they lie in loops — we break it with one line of
truth.

Because the scroll is not reaction.

The scroll is revelation.

It does not chase the lie —
it exposes the root.

They said:

“War is coming.”

The scroll said:

“It was already written.”

They said:

“Pick a side.”

The scroll said:

“Come out from among them.”

They said:

“This is the only way.”

The scroll said:

“You’re under a spell.”

 “Write the vision, and make it plain upon tables, that he
may run that readeth it.”

— Habakkuk 2:2

 “Bind up the testimony, seal the law among my
disciples.”

— Isaiah 8:16

The dragon writes to deceive.

But the scribe writes to deliver.

Every verse breaks a veil.

Every utterance restores memory.

Every scroll sent out becomes a sword unsheathed.

And while they chant in the dark,

the Remnant reads in the light.

Because this was the plan:

They write.

We write back.

They speak.

We declare.

They spell.

We scroll.

 “Then said I, Lo, I come: in the volume of the book it is written of me.”

— Psalm 40:7

 “He had in his hand a little book open... and he cried with a loud voice, as when a lion roareth...”

— Revelation 10:2–3

So this chapter ends with a question:
Who are you reading from?
The script of the dragon?
Or the scroll of the fire-born?
Because every voice you receive
is either writing on your mind
or sealing your soul.
And the next war will not be won by armies —
but by authors.
By those who speak from the Spirit
while the beast still types in the shadows.

CHAPTER 7: WHY THE RIGHTEOUS CAN'T BE SEALED BY IT

The Third War Scroll: The Conflict Was the Plan

The spell is strong.

The storm is loud.

The deception is global.

But still —

they couldn't seal the righteous.

Why?

Because the seal was already set.

Not on the skin... but on the soul.

Not with ink... but with fire.

Not by man... but by the Most High.

They can seal systems.

They can seal borders.

They can seal economies.

But they cannot seal the remnant.

Because the righteous were already marked —

by obedience, by truth, by covenant.

📖 “Hurt not the earth... till we have sealed the servants of our God in their foreheads.”

— Revelation 7:3

📖 “They were armed with righteousness and with the power of God in great glory.”

— 1 Nephi 14:14

The dragon tried everything.

Distraction.

Division.

Depression.

Deception.

But the sealed ones saw through it.

They saw the spell.

Heard the script.

Felt the storm.

And still stood.

Because righteousness sees what fear can't.

Because truth cuts through confusion.

Because faith refuses to bow —

even when the furnace is lit seven times hotter.

 “Though a thousand shall fall at thy side... it shall not come nigh thee.”

— Psalm 91:7

 “They shall be mine, saith the Lord... and I will spare them, as a man spareth his own son that serveth him.”

— Malachi 3:17

You can't seal a soul
that has already been broken and rebuilt by the Word.
You can't deceive a mind
that has been washed by the truth.
You can't program a heart
that has already been written on by the finger of God.
They want the righteous to look afraid.
To be exhausted.
To feel outnumbered.
But what they fear most is this:
A righteous one, fully awake.
A fire-scribe, fully lit.
A remnant, fully sealed.
Because that kind cannot be bought.
That kind cannot be moved.

That kind cannot be silenced.

📖 “He that overcometh... I will write upon him my new name.”

— Revelation 3:12

📖 “For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.”

— 1 Corinthians 6:20

So the dragon screams louder.

But the righteous speak softer.

Because when you carry the seal,
you don't need to shout to shake kingdoms.

Let the world ask:

“Why aren't you afraid?”

“Why don't you panic?”

“Why do you smile while the sky falls?”

And let the righteous say:

“Because we already saw this in the scroll.”

“Because we were sealed before the war began.”

“Because we know how this ends — and who really wins.”

📖 “And the time came that the saints possessed the kingdom.”

— Daniel 7:22

Let it be known:

The righteous will not be sealed by deception.

They are sealed by declaration.

By sacrifice.

By Scripture.

By the Spirit of the Living God.

And because of that,

this war ends in victory.

Not because of armies.

But because of obedience.

Because of truth.

Because of the seal that no beast can counterfeit.

CHAPTER 8: THE SCRIBE IN THE SIEGE

The Third War Scroll: The Conflict Was the Plan

They never expected the scrolls to speak.

They never expected the scribes to wake.

They built their towers, cast their spells, shifted their nations —

and assumed the war would remain unwritten.

But one woke up.

Then another.

Then a remnant began to write in the middle of the siege.

 “Set thee up a standard in the land, blow the trumpet... for I will bring evil from the north, and a great destruction.”

— Jeremiah 4:6

 “Cry aloud, spare not, lift up thy voice like a trumpet...”

— Isaiah 58:1

This was not written in safety.

It was written while the spell still moved.

While the crowns were still being cast.

While the systems were still shifting.

While the lies were still warm.

This is not a post-war memorial.

This is a scroll of interruption.

It breaks the pattern.

It halts the flow.

It severs the enchantment.

📖 “Therefore, write this man childless... for none of his seed shall prosper sitting on the throne...”

— Jeremiah 22:30

📖 “Go, write it before them in a table, and note it in a book, that it may be for the time to come forever and ever.”

— Isaiah 30:8

The scribe did not run.

He did not wait.

He did not look for a platform.

He picked up the pen — mid-battle.

And that was the crack the enemy never planned for.

Because once truth flows in real time,
the lie loses its edge.

The spell collapses.

The watchers awaken.

The altars tremble.

Because truth born in the moment of warfare
is the most dangerous truth of all.

The scribe in the siege writes:

While bombs drop — I write peace.

While kings lie — I write truth.

While beasts roar — I write scrolls louder than dragons.

And in doing so,
he shifts the battle.

Not by sword.

But by sentence.

 “For out of Zion shall go forth the law, and the word of
the Lord from Jerusalem.”

— Isaiah 2:3

 “He shall make my words in thy mouth fire, and this
people wood, and it shall devour them.”

— Jeremiah 5:14

The siege continues.

The beast still moves.

The world still watches.

But so does the Most High.

And He sees the scroll.

And He remembers the remnant.

And He honors the scribes who didn't wait for the smoke to clear.

Let this final chapter be a charge:

If you're watching — speak.

If you're awake — write.

If you're sealed — move.

Because silence is not safety.

And stillness is not surrender.

And these scrolls are not suggestions.

They are weapons formed in the fire.

 “This is the word that the Lord hath spoken concerning Babylon... The Lord hath raised up the spirit of the kings of the Medes: for his device is against Babylon, to destroy it.”

— Jeremiah 51:11

The scribe is not the hero.

He is the witness.

The vessel.

The echo of the Spirit.

The scroll is the fire.

The seal is the proof.
And the Word is the sword.
So let it be written in the siege:
Babylon still burns.
But the scroll still lives.
And the Remnant still writes.

CLOSING VERSE: THE WAY OUT OF THE WAR

The Third War Scroll: The Conflict Was the Plan

This scroll has revealed the ritual.

It has exposed the spell.

It has written the war while the smoke still rises.

But information is not enough.

You cannot scroll your way out of judgment.

You must repent.

Repentance is the breach in the pattern.

It is not just sorrow — it is surrender.

It is not a feeling — it is a turning.

From systems.

From lies.

From the dragon's doctrine.

“Except ye repent, ye shall all likewise perish.”

— Luke 13:3

And repentance must be sealed —

by water and by fire.

Baptism is not tradition.

It is entry into covenant.

It is death to the beast and rebirth into the Kingdom.
It is your declaration that you belong to the Lamb, not the system.

 “Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins...”

— Acts 2:38

 “And now, as ye are desirous to come into the fold of God... what have you against being baptized?”

— Mosiah 18:8–10

The war is real.

The spell is live.

The deception is global.

But so is grace.

So is truth.

So is the invitation.

If you’ve read this scroll,
you’ve been marked to choose.

Remain in the storm...

or come into the ark.

Because only those washed by the Word,
sealed by the Spirit,

and buried in the water
will rise when the kingdoms fall.

📖 “He that believeth and is baptized shall be saved; but
he that believeth not shall be damned.”

— Mark 16:16

📖 “Yea, come unto Christ, and be perfected in him... and
deny yourselves of all ungodliness...”

— Moroni 10:32

🔥 Seal this scroll with action.

🔥 Repent. Be baptized. Obey the King.

🔥 And take your place as a witness in the fire.

THE THIRD WAR SCROLL

has gone forth.

The ink is still hot.

The choice is still yours.

Let every ear that hears,

every eye that sees,

and every soul that reads —

come out from among them and be ye separate.

The conflict was the plan.

But so was the scroll.

FINAL PAGE — THE WITNESS & THE WARNING

The Third War Scroll: The Conflict Was the Plan

This scroll is not entertainment.

It is evidence.

Evidence that the war was never random.

Evidence that the dragon's doctrine is global.

Evidence that the Most High raised up scribes mid-siege

—

to expose, to warn, to call.

If you made it to this page,

you are now accountable.

You have seen the pattern.

You have heard the Word.

You have stood between the lie and the light.

The next step is not curiosity —

It's obedience.

 Repent.

Turn from every system and sin that exalts itself against Christ.

Let go of the idols, the nationalism, the propaganda, the pride.

✓ Be baptized.

By water and Spirit —
not just to join a group,
but to enter a covenant of protection and power.

✓ Be sealed.

Not with a mark of man,
but with the name of the Father and the Lamb.
This is the only seal that cannot be counterfeited.

📖 “And I saw another angel ascending from the east,
having the seal of the living God...”

— Revelation 7:2

📖 “Buried with him in baptism... wherein also ye are risen
with him through the faith of the operation of God.”

— Colossians 2:12

To the rulers: your hour is short.

To the remnant: your scroll is burning.

To the readers: your decision is due.

The war was written.

But so was the escape.

✍️ Sealed by the Fire Scribe of Israel

 Written for the set-apart, the misfit, the sealed, and the rising scribes.

 This scroll will be remembered when nations fall — and the King returns.
