

🚪 The 8 gates of Revelation

🔥 GATE ONE — THE ABOMINATIONS

(Opening the Eyes — WITH PRECEPTS IN FLOW)

Listen carefully...

There's a pattern most people miss.

Not because it's hidden...

but because it's revealed in layers.

In Ezekiel 8:5–6, a prophet is brought to see something off.

Then it doesn't stop.

In Ezekiel 8:13, he's told again—

👉 “Turn thee yet again...”

Then again in Ezekiel 8:15—

👉 “Thou shalt see greater abominations.”

This is the pattern:

👉 Corruption is layered

👉 And the deeper you go... the worse it gets

Now watch what he's actually shown.

He's taken into a hidden place.

Ezekiel 8:7–9 — a hole in the wall... a door... a chamber.

Then in Ezekiel 8:10–12:

👉 Images on the walls

👉 Elders in the dark

👉 Saying: “The Lord seeth us not”

That's not random.

That's a system operating out of sight.

And this is already witnessed:

Psalm 64:5–6 —

👉 They encourage themselves in evil... they search out iniquities... both the inward thought... is deep

Ether 8:22–23 —

👉 Secret combinations... to get power and gain

Now look at the next layer.

Ezekiel 8:14 — people weeping for Tammuz

Then Ezekiel 8:16 —

👉 turning their backs to the temple...

👉 facing the east... worshiping the sun

This is the shift:

👉 Turning away from true order

👉 While still appearing connected to it

And it was already said:

Jeremiah 2:27 —

👉 They have turned their back unto me, and not their face

Romans 1:25 —

👉 Changed the truth of God into a lie... and worshipped the creature

Now look at the leadership layer.

Ezekiel 8:11 — elders... with censers... presenting something outward

But in secret—corruption.

And this is already judged:

Isaiah 29:13 —

👉 This people draw near with their mouth... but their heart is far

2 Nephi 28:9 —

👉 They teach with their learning... and deny the Holy Ghost

Now bring it together:

This wasn't just sin.

This was:

- 👉 Hidden systems
- 👉 False images
- 👉 Corrupt leadership
- 👉 And people turned away from truth
- 👉 While still appearing aligned

So now the question becomes:

- 👉 If this pattern was revealed in layers...
- 👉 And nothing hidden stays hidden...

Luke 12:2 —

- 👉 There is nothing covered, that shall not be revealed

2 Nephi 30:17 —

- 👉 There is nothing which is secret save it shall be revealed

Then ask this and stop:

- 👉 If most people only see the surface...

What's actually operating underneath it?

That's Gate One—done the right way.

When you ready, we do Gate Two the same exact way: 👉 Flow + embedded precepts, no gaps

🔥 GATE TWO — THE MARK

(Separation Before Judgment — WITH PRECEPTS IN FLOW)

Listen...

After everything that was shown in Gate One...

after the layers... the chambers... the corruption...

The next thing that happens is not destruction.

It's separation.

In Ezekiel 9:3–4:

👉 A man is sent through the city

👉 Not to kill

👉 To mark

And the instruction is precise:

👉 “Set a mark upon the foreheads of the men that sigh and that cry for all the abominations...”

That's the dividing line.

Not who talks right.

Not who looks right.

👉 Who recognizes what's wrong... and is not aligned with it.

Then immediately after—

Ezekiel 9:5–6:

👉 Judgment follows

👉 But only after the mark is set

So now the order is clear:

👉 First: separation

👉 Then: judgment

Now we define the mark.

Because “sighing and crying” is not just emotion.

It’s internal alignment.

This has already been established:

1 Samuel 16:7 —

👉 Man looketh on the outward appearance... but the Lord looketh on the heart

Jeremiah 17:10 —

👉 I the Lord search the heart... to give every man according to his ways

So the mark is not physical.

👉 It’s based on what’s in a person

👉 What they see

👉 And how they respond

Now bring the second witness.

Because the same separation is described:

2 Nephi 28:28 —

👉 Some will say: “All is well”

2 Nephi 28:29–30 —

👉 Others receive more because they hearken

So now you see the two groups clearly:

👉 Those who recognize truth and move toward it

👉 Those who reject truth and stay comfortable

And it was already warned:

Hosea 4:6 —

👉 My people are destroyed for lack of knowledge

Alma 12:10–11 —

👉 Those who harden their hearts receive less

👉 Until they know nothing

So now the division is undeniable:

Not based on position

Not based on knowledge alone

👉 Based on response to truth

Now bring it back to what you already opened:

In Gate One—everyone saw the system.

But in Gate Two:

👉 Not everyone responds the same to what they see

And that's why the mark exists.

Because heaven is identifying:

👉 Who is aligned with truth

👉 And who is aligned with the system

Now seal it:

The mark happens before anything else.

Which means:

👉 Separation is already known

👉 Before judgment ever shows up

Now ask the question and stop:

👉 If the mark is based on what a person sees... and how they respond...

Then how is that sight given in the first place?

🔥 GATE THREE — THE MECHANISM (How Sight Is Given — WITH PRECEPTS IN FLOW)

Listen...

If the mark is based on what a person sees...
and how they respond...

Then the real question is:

👉 How is that sight given?

Because in the pattern...

Not everyone in the city saw what was shown.

One was taken.

Shown.

Then told to speak.

That establishes the law right here:

Amos 3:7 —

👉 Surely the Lord God will do nothing, but he revealeth his secret unto his servants the prophets

So now it's clear:

👉 Sight comes by revelation

👉 Not by position

👉 Not by assumption

And the second witness confirms it directly:

Moroni 10:5 —

👉 By the power of the Holy Ghost ye may know the truth of all things

Now we break the mechanism.

First:

👉 Revelation is given

1 Corinthians 2:10 —

👉 The Spirit searcheth all things, yea, the deep things of God

Second:

👉 It enters both mind and heart

Doctrine and Covenants 8:2 —

👉 I will tell you in your mind and in your heart

Third:

👉 A person either receives... or resists

Alma 12:10 —

👉 He that will not harden his heart... to him is given the greater portion of the word

Alma 12:11 —

👉 They that harden their hearts... know nothing concerning his mysteries

Now you see it clearly:

👉 Sight is not withheld randomly

👉 It is increased or decreased based on response

Now bring the warning layer.

Because this is why people don't see:

2 Thessalonians 2:10–11 —

👉 Because they received not the love of the truth... God shall send them strong delusion

So now it's undeniable:

👉 Some don't see because they won't receive

👉 Some won't receive because they resist truth

Now connect it back to what you already established:

The tools you mentioned—

Urim and Thummim

Inkhorn

Records

These are not random objects.

They represent functions:

👉 Revelation → Sight

👉 Sight → Recognition

👉 Recognition → Marking

And this is already confirmed:

Mosiah 8:17 —

👉 A seer is greater than a prophet... a seer can know of things which are past, and also of things which are to come

So now the division is clear:

Not those who “study more”

Not those who “claim more”

👉 Those who are aligned with revelation

vs

👉 Those who are not

Now bring it home:

Gate One showed the system.

Gate Two showed the separation.

Gate Three reveals:

👉 Why that separation exists in the first place

Now ask and stop:

👉 If revelation is how truth is seen...

Then what happens when entire systems are built without it... or against it?

🔥 GATE FOUR — THE SYSTEM

(How Corruption Forms and Repeats — WITH PRECEPTS IN FLOW)

Listen...

If revelation is how truth is seen...

and people are marked based on whether they receive it...

Then what happens...

👉 when systems are built without revelation?

Or worse...

👉 against it?

Because what was shown wasn't random behavior.

It was structure.

Layered.

Organized.

Operating behind what looked set apart.

And this has already been warned.

2 Nephi 9:28 —

👉 When they are learned they think they are wise... and hearken not unto the counsel of God

Romans 1:22 —

👉 Professing themselves to be wise, they became fools

So now the foundation is clear:

👉 When revelation is removed

👉 Man replaces it with his own system

Watch the formation step by step.

First:

👉 Truth is given

Amos 3:7 —

👉 The Lord revealeth his secret unto his servants

Second:

👉 It gets replaced

Jeremiah 2:11 —

👉 My people have changed their glory for that which doth not profit

Third:

👉 Man establishes authority without heaven

Hosea 8:4 —

👉 They have set up kings, but not by me

Fourth:

👉 The system sustains itself

Ether 8:22 —

👉 Secret combinations... to get power and gain

Now it's no longer random.

👉 It's a system

👉 A machine

👉 A structure that repeats

And this pattern has already been recorded across time.

1 Nephi 13:26 —

👉 That great and abominable church... perverts the right ways of the Lord

1 John 5:19 —

👉 The whole world lieth in wickedness

So now the realization hits:

👉 This is not one corrupted group

👉 This is a repeating structure wherever truth is replaced

Now tie it back:

Gate One showed the abominations.

Gate Two showed the separation.

Gate Three showed how sight works.

Now Gate Four reveals:

👉 Why most systems cannot be trusted by default

Because if they are not built on revelation...

👉 They are built on something else

Now bring the weight:

This is no longer:

👉 “Something is wrong”

This becomes:

👉 “The structure itself may be wrong”

Now ask and stop:

👉 If corrupted systems form when revelation is removed...

Then what does a system look like when it is actually built on true order?

🔥 GATE FIVE — THE ORDER

(What It's Supposed to Look Like — WITH PRECEPTS IN FLOW)

Listen...

If corrupted systems form when revelation is removed...

Then the only way to recognize true order...

👉 is to look at what is built with revelation intact

Because heaven doesn't just expose corruption.

It establishes order.

Start here:

1 Corinthians 14:33 —

👉 God is not the author of confusion, but of peace

2 Nephi 26:23 —

👉 He doeth not anything save it be plain unto the children of men

So now you know:

👉 True order produces clarity

👉 Not confusion

👉 Not contradiction

Now the foundation.

First:

👉 Revelation is the source

Doctrine and Covenants 1:38 —

👉 Whether by mine own voice or by the voice of my servants, it is the same

Meaning:

👉 The authority must come from heaven

👉 Not man-made structure

Second:

👉 Order moves with time and appointment

Ecclesiastes 3:1 —

👉 To everything there is a season, and a time to every purpose under heaven

2 Nephi 2:24 —

👉 All things have been done in the wisdom of him who knoweth all things

So now:

👉 Time is not random

👉 It is structured

👉 It is part of the order

Third:

👉 It is confirmed by multiple witnesses

2 Corinthians 13:1 —

👉 In the mouth of two or three witnesses shall every word be established

2 Nephi 29:8 —

👉 By the voice of two nations is a witness unto you

So now it's undeniable:

👉 Truth confirms itself

👉 Across both witnesses

👉 Without contradiction

Fourth:

👉 It is known by what it produces

Matthew 7:16 —

👉 By their fruits ye shall know them

So not by:

Titles

Positions

Claims

But by:

👉 Output

👉 Clarity

👉 Transformation

Fifth:

👉 It creates clean separation

Matthew 12:30 —

👉 He that is not with me is against me

Alma 5:57 —

👉 Come out from the wicked, and be separate

So now:

👉 True order does not blur lines

👉 It reveals them

Now bring it all together:

What you've just walked through is not random teaching.

It is a full system:

Ezekiel 8 → The abominations revealed

Ezekiel 9 → The marking and separation

Revelation given → Amos 3:7, Moroni 10:5

Corrupted systems → 2 Nephi 9:28, Hosea 8:4

True order → 1 Corinthians 14:33

Now say it plain:

👉 True order is not missing

👉 It has been replaced

👉 True order is not hidden

👉 It has been ignored

👉 True order is not new

👉 It has always been here

Now seal it:

Habakkuk 2:2–3 —

👉 Write the vision... make it plain... though it tarry, wait for it

And end here—no more:

👉 Now that the pattern is seen...

the separation is known...

the mechanism is understood...

and the system is exposed...

Will you align with the order...

or remain inside the system?

🔥 GATE SIX — THE COVENANT OF TIME

(How Heaven Measures, Aligns, and Governs — WITH PRECEPTS IN

FLOW)

Listen...

You can have truth...

You can see clearly...

You can even understand the system...

But if you are not aligned with heaven's timing...

👉 You will still be out of order

Because from the beginning...

Time was not random.

It was appointed.

Genesis 1:14 —

👉 Let there be lights... for signs, and for seasons, and for days, and years

That word “seasons” is not weather.

👉 It is appointed times

Now the law is established:

👉 Time is a system

👉 Not a suggestion

Leviticus 23:2 —

👉 Concerning the feasts of the Lord... which ye shall proclaim in their seasons

So now it's clear:

👉 There are appointed times

👉 Not man-made schedules

👉 Not adjusted calendars

Now watch this.

Psalm 104:19 —

👉 He appointed the moon for seasons

So now you have two witnesses:

👉 Lights in the heavens

👉 Governing appointed time

This means:

👉 Time is not decided by man

👉 It is observed from creation

Now bring the order deeper.

Ecclesiastes 3:1 —

👉 To everything there is a season, and a time to every purpose under heaven

So now:

👉 Every action

👉 Every judgment

👉 Every release

👉 Has a time attached to it

Now connect this to what you've been building.

Because this is where your work locks in.

Daniel 7:25 —

👉 He shall think to change times and laws

That's not random.

That's the attack:

👉 Change the time

👉 You break the order

Now the second witness confirms distortion:

Alma 13:3 —

👉 Called and prepared from the foundation of the world according to the foreknowledge of God

Meaning:

👉 Things are set in order beforehand

👉 Not adjusted later

Now bring the restoration.

Jubilees 6:32–33 (if you use it)

👉 Warning against changing the calendar and appointed times

But even without that—

You already have enough:

Isaiah 14:13–14 (pattern of rebellion)

👉 Attempt to exalt above order

So now it's clear:

👉 Breaking time = breaking alignment

👉 Breaking alignment = entering disorder

✂️ WHAT THIS GATE REVEALS

Now say it plain:

You can:

Know scripture

See corruption

Understand systems

And still be off...

👉 If your timing is off

Because heaven doesn't just operate on truth.

👉 It operates on appointed time

🔗 CONNECT IT BACK

Now tie all gates together:

Gate 1 → showed corruption

Gate 2 → showed separation

Gate 3 → showed revelation

Gate 4 → showed systems

Gate 5 → showed order

👉 Gate 6 shows when everything is supposed to happen

🔥 THE REAL WEIGHT

This is where it hits different.

Because now it's not just:

👉 “Do you see truth?”

Now it becomes:

👉 “Are you aligned with heaven’s timing?”

🔑 FINAL QUESTION (THIS OPENS THE NEXT LEVEL IF YOU GO FURTHER)

End it here:

👉 If heaven runs on appointed time...

Then what happens when people follow a different clock?

That right there can open:

👉 Gate Seven — The False Time System vs Covenant Time.

🔥 GATE SEVEN — FALSE TIME vs COVENANT TIME
(The War Over the Clock — WITH PRECEPTS IN FLOW)

Listen...

If heaven operates on appointed time...

And that time was set from the beginning...

Then the question is not:

👉 “Is there a time?”

The real question is:

👉 Which time are you following?

Because not all time systems are the same.

And this has already been warned.

Daniel 7:25 —

👉 He shall think to change times and laws

That means:

👉 Time can be altered

👉 Time can be manipulated

👉 Time can be replaced

Now understand the weight of that:

If you change time...

👉 You change alignment

👉 You change order

👉 You change appointed events

Now go back to the foundation.

Genesis 1:14 —

👉 Lights... for signs, seasons, days, and years

So the original system is:

👉 Based on creation

👉 Observed, not invented

Psalm 104:19 —

👉 He appointed the moon for seasons

So now you have the structure:

👉 Sun → governs day and year

👉 Moon → governs appointed times

Now watch the contrast.

Jeremiah 10:2 —

👉 Learn not the way of the heathen... be not dismayed at the signs of heaven

Meaning:

👉 There are false interpretations

👉 False systems built off the same sky

Now bring the second witness.

3 Nephi 8:22–23 —

👉 Signs in the heavens tied directly to judgment and timing

So now:

👉 Heaven uses signs

👉 But systems can misread or distort them

Now the real issue:

Isaiah 5:20 —

👉 Woe unto them that call evil good, and good evil...

Apply it to time:

👉 Wrong time called right

👉 Right time ignored

Now connect it to what you've been building.

Because this is where it hits:

If the calendar is off...

👉 Feasts are off

👉 Appointments are off

👉 Alignment is off

And this was already warned:

Leviticus 23:4 —

👉 These are the feasts of the Lord... in their appointed times

Not whenever

Not adjusted

👉 Appointed

Now bring the pattern of deception:

2 Nephi 28:21 —

👉 He leadeth them carefully down to hell... saying all is well

So now you see it:

👉 People can be sincere

👉 And still be misaligned

Because they are following:

👉 A different clock

✂️ THE REAL DIVISION

Now say it plain:

There are two systems:

1. Covenant Time

Set by creation

Confirmed by scripture

Aligned with appointed feasts

2. Altered Time

Adjusted by man

Detached from original pattern

Still widely followed

And most people never question it.

🔥 CONNECT ALL GATES

Now bring everything together:

Gate 1 → Abominations

Gate 2 → Mark

Gate 3 → Revelation

Gate 4 → System

Gate 5 → Order

Gate 6 → Covenant Time

👉 Gate 7 reveals:

Why people can be sincere... and still be out of alignment

🔑 FINAL QUESTION (THIS IS THE CUT)

End it here:

👉 If time has been changed...

and alignment depends on time...

Then how many people are walking sincerely...

but completely out of sync with heaven?

🔥 GATE EIGHT — THE RESTORATION OF THE CLOCK (Returning to Covenant Time — WITH PRECEPTS IN FLOW)

Listen...

If time was set from the beginning...

If it was appointed...

If it was later altered...

Then the final question is:

👉 Can it be restored?

Because heaven does not just warn.

👉 It restores.

Start here:

Acts 3:21 —

👉 Whom the heaven must receive until the times of restitution of all things...

So restoration is not optional.

👉 It is appointed.

Now go back to the foundation again.

Genesis 1:14 —

👉 Lights... for signs, seasons, days, and years

That system never changed.

👉 Creation is still functioning

👉 The clock is still in place

So if anything is off...

👉 It's not heaven's clock

Now the instruction:

Jeremiah 6:16 —

👉 Stand ye in the ways, and see, and ask for the old paths... and walk therein

That means:

👉 You don't invent a new system

👉 You return to the original

Now define what that looks like.

Leviticus 23:2 —

👉 Feasts of the Lord... which ye shall proclaim in their seasons

Leviticus 23:4 —

👉 These are the feasts... in their appointed times

So restoration includes:

👉 Restoring appointed times

👉 Not just belief

Now bring the order of counting.

Leviticus 23:15–16 —

👉 Count from the Sabbath... seven Sabbaths... even unto the morrow after... fifty days

That's structure.

👉 Not random

👉 Not floating

👉 Counted and fixed

Now connect it to your Shabuwa framework.

Deuteronomy 16:9 —

👉 Seven weeks shalt thou number...

So now:

👉 Time is counted in cycles

👉 Not guessed

👉 Not loosely observed

Now bring the witness of consistency.

Psalm 19:1–2 —

👉 The heavens declare... day unto day uttereth speech

Meaning:

👉 The heavens are still speaking

👉 The pattern is still visible

Now the restoration principle:

Isaiah 58:12 —

👉 Thou shalt be called, The repairer of the breach... the restorer of paths to dwell in

That's the role:

👉 Repair what was broken

👉 Restore what was altered

Now bring the warning again:

Lamentations 2:6 —

👉 The Lord hath caused the solemn feasts and Sabbaths to be forgotten

So now you see:

👉 It wasn't just changed

👉 It was forgotten

And restoration brings it back.

✂️ WHAT THIS GATE REVEALS

Now say it plain:

This is not about creating something new.

👉 It's about returning to what was already set

Because:

The sun still moves

The moon still marks

The cycles still exist

The only question is:

👉 Are you aligned with them?

🔗 CONNECT ALL GATES

Now bring the full structure together:

Gate 1 → Abominations revealed

Gate 2 → Mark established

Gate 3 → Revelation explained

Gate 4 → System exposed

Gate 5 → Order defined

Gate 6 → Covenant time revealed

Gate 7 → False time exposed

👉 Gate 8 restores:

The actual functioning clock

🔥 FINAL DECLARATION

Say it clean:

👉 The clock was never broken

👉 It was replaced

👉 The system was never lost

👉 It was ignored

👉 The timing was never changed in heaven

👉 Only on earth

🔑 FINAL QUESTION (THE SEAL)

End everything here:

👉 If the original clock is still running...

and restoration has been shown...

Will you return to it...
or continue following what replaced it?
